→ PACK EXPO

● Organized under the aegis of the Ministry of Industry, Trade, Investment and Digital Economy, by the Moroccan Federation of Plastics Industry, the **PACKEXPO 2023** Exhibition, which this year will bring together for the first time all professional operators in the Packaging and Packaging sector. "This event, will be under the theme "Innovative solutions for packaging in Africa", and will be presented as the most important business platform in the MENA region. As a reminder, **PACKEXPO 2023**, the International Exhibition for Glass, Wood, Paper, Cardboard, Metal, Printing, Storage and Local Logistics Packaging Solutions, aimed to bring together all packaging solutions in a mega platform hosted by Morocco

● The **PACKEXPO 2023** exhibition confirms its status as a business, innovation and exchange platform for the 15,000 packaging professionals from 30 countries, mainly from Asia, Europe and Africa, as well as for the 180 exhibitors and companies represented
